TETLEY

RANGE OF PRODUCTS

Tetley Green Tea

Tetley green tea is a refreshing beverage which helps in hydration. When brewed, green tea is primarily water so drinking it regularly throughout the day will help maintain hydration, increases the level of antioxidants in the body, helps in lipid metabolism and has a calming effect and multiple health benefits for the body.

Premium Blend Tea

Tetley Premium Blend delivers a rich, robust taste experience that's made from the world's finest tea leaves from Africa and India. The result: a captivating combination of perfectly balanced aroma and flavor.
